

Preface

This volume contains selected papers presented at the International Conference on Mathematics and Computer Science, Brasov, Romania, June 2014.

The goal of the present International Conference on Mathematics and Computer Science (MACOS 2014), June 26-28, 2014, hosted by Faculty of Mathematics and Computer Science, Transilvania University of Brașov, is to provide an opportunity for researchers working in different areas of Mathematics and Computer Science to present their research activities, to exchange ideas, to make new contacts and to establish possible future collaborations.

The Conference is organized with the support of the colleagues from Faculty of Mathematics and Computer Science, Ovidius University of Constanța.

We would like to thank all the participants for their high quality papers and presentations.

The conference participants came from Hungary, India, Korea, Saudi Arabia, Turkey, USA and Romania.

More information about this conference can be found at the address:
